West Item: Aluminum Seal with or without Flip-Off® Button

1 INTRODUCTION

This Compliance Bulletin provides key information requested by customers on the West Pharmaceutical Services (West) item herein. This information is based upon declarations from supplier(s), offered in good faith and is not to be considered a warranty or quality specification. Because final conditions and use of this item are beyond our control, this information should not be substituted for customer's own compliance determinations and tests to assure this item is appropriate for any end use. Appendix A lists the West manufacturing sites in scope of this bulletin.

Compliance Bulletins are provided upon customer request. Please accept this in lieu of West completing questionnaires or surveys. If you have additional compliance questions as a result of an Agency request, please provide West's Regulatory Team an appropriately redacted copy of the Agency's request with reference to the applicable legislation for review and a response will be provided.

This revision shall remain valid unless a change is made to a product or process impacting the statements herein. Change notifications, where required, are managed in accordance with West's change control process.

2 ANIMAL DERIVED MATERIALS

- **EMA/410/01 rev. 3, Note for guidance on minimising the risk of transmitting animal spongiform encephalopathy agents via human and veterinary medicinal products**

The EMA/CHMP/BWP has drawn a distinction between primary and secondary packaging materials and made the following statement:

"Ruminant derived materials used during the manufacture of secondary packaging (i.e. if there is no contact with the medicinal products) are not within the scope of the TSE Note for guidance"

This item serves as a secondary packaging component and when used as intended, will not have contact with the drug product. West has taken a conservative approach and can confirm this item complies with EMA/410/01 rev. 3 as referenced above.

DocuSign Envelope ID: 28EB173A-E23B-4982-8224-12786632C20F

3 HEAVY METALS

- **EUROPEAN DIRECTIVE 94/62/EC DATED 20 DECEMBER 1994, ON PACKAGING AND PACKAGING WASTE**
- **THE MODEL TOXICS IN PACKAGING LEGISLATION (FORMERLY KNOWN AS CONEG)**

The ingredients used in the manufacture of this item have been evaluated for Heavy Metals (Lead, Cadmium, Hexavalent Chromium, and Mercury). The sum of heavy metals is not intentionally contained > 100ppm within the item.

4 NATURAL RUBBER LATEX/DRY NATURAL RUBBER CONTENT

This item **is not made** with Natural Rubber Latex or Dry Natural Rubber.

5 ROHS

- **European Directive 2011/65/EU of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS 2), as amended by 2015/863/EU**

This item has been designed, manufactured, and marketed for secondary packaging of medicinal products.

West is silent on the use of this item in relationship with electrical or electronic equipment. Therefore, West cannot certify compliance with the requirements presented in European Directive 2011/65/EU, as amended by 2015/863/EU.

6 HALAL

This item is not certified as Halal.

7 KOSHER

This item is not certified as Kosher.
