1 INTRODUCTION

This Compliance Bulletin provides key information requested by customers on the West Pharmaceutical Services (West) coating herein. This information is based upon declarations from supplier(s), offered in good faith and is not to be considered a warranty or quality specification. Because final conditions and use of this item are beyond our control, this information should not be substituted for customer's own compliance determinations and tests to assure this item is appropriate for any end use.

Compliance Bulletins are provided upon customer request. Please accept this in lieu of West completing questionnaires or surveys. If you have additional compliance questions as a result of an Agency request, please provide West's Regulatory Team an appropriately redacted copy of the Agency's request with reference to the applicable legislation for review and a response will be provided.

This revision shall remain valid unless a change is made to a product or process impacting the statements herein. Change notifications, where required, are managed in accordance with West's change control process.

2 CALIFORNIA'S PROPOSITION 65

- **Proposition 65, the Safe Drinking Water and Toxic Enforcement Act of 1986**

California's Proposition 65 is a list of chemicals known to the state to cause cancer or reproductive toxicity. This coating does not intentionally contain chemicals on California's Proposition 65 List as dated 13 November 2024.
