Subject: PPWR Statement.

Dear valued customer,

Following up the enter into force of the PPWR regulation which provisions will be fully enforceable and mandatory for all companies from 12 August 2026, we are pleased to inform you that our current material composition declaration already in your hand and here attached is still valid.

The basic information of your interest contained therein is the following.

- The products supplied to your company are made of glass at 100%
- Soffieria Bertolini, as a converter of semi-finished material (glass tubing), does not add anything to the glass.
- The sum heavy metal content (Hg, Pb, Cd, Cr (VI)) is below 100 ppm as declared by our glass tubing suppliers.
- Our products are free of SoC or SVHC substances.
- Glass is exempted from REACH application
- Art. 6 of PPWR is not applicable to packaging materials in direct contact with medicinal products, as defined at art. 1 comma 23 pf 2001/83/CE directive.

We have forwarded to our suppliers request for information on this matter and we will be pleased to keep you informed if any change on the attached declaration will be necessary.

Sincerely yours,

Luca CARNELLI
